

IMPORTANT REMINDER REGARDING CURRENT STUDENT MEDICAL DOCUMENTATION

It is important for all members of our school community to be in the best possible health. A vital component of this includes ensuring children are free from certain infectious diseases. As a result, a **students must have the proper immunizations on file with the office.**

For students Kindergarten up to and including 6th Grade this includes:

- | | |
|---------------------------------------|---------|
| • Diphtheria-Tetanus-Pertussis (DTaP) | 4 Doses |
| • Hepatitis B Series | 3 Doses |
| • Measles, Mumps, Rubella (MMR) | 2 Doses |
| • Polio Vaccine | 4 Doses |
| • Varicella Vaccine* | 1 Dose |

* Unless Otherwise Documented By A Healthcare Provider

For Students 7th Through 12th Grades, in addition to the above:

- Hepatitis B Series (If Not Previously Completed)
- Measles – 2nd Dose (MMR Preferred)
- Tetanus- Diphtheria -Pertussis Booster (Tdap)
- Varicella Vaccine – 2nd Dose

The **Florida Certificate of Immunization (Blue Form DH680)** must be used to document the immunizations and submitted to the office prior to the start of school. This form is provided by your healthcare provider or a copy may be available from your student's previous school.

Families must present a **State of Florida School Entry Health Exam (Yellow Form DH3040)** prior to the start of school. This form is provided by your healthcare provider or a copy may be available from your student's previous institution.

Additional information can be located by contacting the Health Education Services division of Broward County Public Schools at 754-321-2270 or the State of Florida Department of Health at www.ImmunizeFlorida.org.

Important Reminder:

All students entering 7th grade **must be screened for Scoliosis**. This screening is not conducted on site at Paladin Academy and should be obtained from a healthcare provider. Supporting documentation must be submitted to the office.
