

Pembroke Pines Campus **High School Parking Permit Application**

STUDENT DRIVING AND PARKING POLICIES:

The following student driving policies and parking procedures are in place at Paladin Academy Pembroke Pines for the safety of our entire school community. Families are reminded that a wide variety of age levels are present on our campus and students must maintain safe driving habits. A limited number of spaces are available for student parking. While senior preference is given, the school maintains the right to decline any parking permit or student driving request for any reason.

- The student PARKING PERMIT will be issued and must be hung from the vehicle mirror while on property.
- A valid operator's license and insurance must be held by all students driving and parking on school grounds.
- The speed limit on school grounds is **5 mph**. All vehicles will follow the proper directions, signs and indicated arrows on the property or lose parking privileges.
- Nobel Learning Communities Inc., d/b/a Paladin Academy, shall not be responsible or liable for damage to automobiles or other vehicles which are parked or operated on property. The student assumes full financial responsibility. By requesting a permit, parents/guardians, and on behalf of the student, do hereby Release, Indemnify and Hold Harmless, the school and its employees with respect to any injury, disability, loss or damage to person or property (except for gross negligence or intentional misconduct exhibited by Paladin Academy) arising from or incident to my student's participation in this program.
- Students are only to park in designated spots on the north side of the lot.
- Vehicles found parking in faculty parking, fire lanes, bus parking, unauthorized visitor parking, roadways, driveways, intersections or handicap **may be towed** at the owner's expense by a bonded company.
- **YOUR CAR IS NOT A LOCKER.** If you need to go to your vehicle for any reason during the school day, you must obtain permission from **Administration Only**. This includes during lunch periods.
- Valuables should not be left in vehicles. All vehicles should be locked and secured.
- All vehicles are subject to search for illegal objects and substances if reasonable suspicion that substance violation, stolen property, weapons or other contraband might be present. Such searches may be conducted by appropriate law enforcement. Such searches are hereby approved by parent/guardian, student and owner.
- Parking permits are NOT TRANSFERABLE to another vehicle or student.
- Parking permits must be RETURNED to the school on the final academic day. Failure to do so will be considered an outstanding obligation and grades may be withheld.
- Parking permits that are LOST, DAMAGED or NOT RETURNED will require a **\$20 replacement fee** and must be requested before school begins. Permits will be considered lost, damaged or not returned as determined solely by administration. Such fees are in addition to other school obligations and permit fees.
- Students must use due care and respect for others in operation of their vehicles.
- Loud stereos, radios and faulty alarms will not be tolerated and will result in parking permit being revoked.
- Since the parking and operation of student vehicles on campus IS A PRIVILEGE, violations of any of the student parking policies will result in citations and parent notifications as required. Notification of law enforcement may be necessary in some circumstances.
- Students who have academic or disciplinary problems are subject to revocation of parking permit.
- When signing in late, you may be required to park in visitor parking. Such area is designated as the north side of the parking island in front of the school.
- Students who operate vehicles in an unsafe or reckless manner on school property, on streets adjacent to the school, around school buses or while driving to and from school will face disciplinary action.
- Revocation of student parking privileges does not release the student from attendance or class obligations.

Parking rules and road regulations are strictly enforced. It is considered a privilege to park on campus. The administration of Paladin Academy shall have the right to remove the parking permit of any student in violation of the above rules and regulations or for any serious school rule infraction. By requesting a permit, I understand that these rules apply before, during and after school. Any violations are subject to disciplinary action.

NOTICE:

By signing below, I understand that Paladin Academy and Nobel Learning Communities Inc. are **NOT** responsible for damages to vehicles parked on property. As parent/guardian, I hereby grant permission for my student to drive a motor vehicle to Paladin Academy. Students have full responsibility for the security of their vehicles and assume full liability for them. I understand that this privilege may be revoked and fined if they fail to abide by the parking regulations specified. Please note: PARKING ON CAMPUS IS A PRIVILEGE, NOT A RIGHT. By signing below, you **agree** to the terms and conditions on the Student Parking and Driving Policies (opposite page). I will return the parking permit at the end of the year or on demand and am liable for replacement fees as stated in policy.
